HOW YOUR BIBLE CAME TO YOU

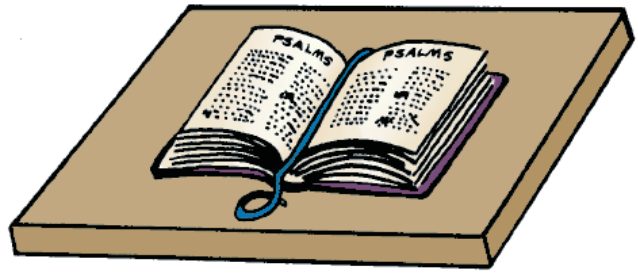
In this LIFEPAC® you are going to find out how the Bible came to be.

Some Bibles are very small.



Family Bibles are very big.

You like to carry your Bible to **church**.

All over the world people have Bibles to read.

How did this wonderful book come to be? In your Bible you can read this verse (2 Peter 1:21), ". . . holy men of God spake as they were moved by the Holy Ghost [Spirit]." This verse says that very good men wrote the Bible. They wrote what God told them to write.

You will read about these men whom God used to give you the Bible. You will read some of the things God told them.

The story about Emily, who wrote the Bible in Navajo is in this LIFEPAC. You will read about the Wycliffe **translators**. They are printing the Bible so other people can read God's **message** today.
