GOD'S WAY IS PERFECT

As for God, his way is perfect: the word of the LORD is tried:
he is a buckler to all those that trust in him.
(Psalm 18:30)

Have you ever made cookies or a cake? If so, you know that you did not just throw anything into a bowl and stir it up. You put in just the right things at the right time. Cookies and cakes have to be made according to a plan.

The Bible tells of God's plan. He made the world; He planned for Jesus to be born, die, and rise again. He planned for Jesus to go back to heaven and prepare a place for us, and He plans for Jesus to

come back again. Meanwhile, we have His Word to give us knowledge and understanding and to help us make wise choices.

During this year you have learned many things about God and His Word. We hope you have learned that God's way is the best way. God has a wonderful plan for your life. His way is perfect.

This LIFE PAC[®] is a review of what you have been learning in Bible this year.

OBJECTIVES

Read these objectives. The objectives tell you what you should be able to do when you have successfully completed this LIFE PAC.

When you have finished this LIFE PAC, you should be able to:

1. Name the best way to receive God's knowledge.
2. Explain when and where to read the Bible.
3. Tell how and why we should memorize Scripture.
4. Tell how the Bible is superior to science.
5. Tell how geography affects people.
6. Explain how a person is born again into God's family.
7. Tell how God uses men to carry out His plans.
8. Identify God as the one who helps and protects us.
9. Explain why we should witness.
10. Describe Jesus' example of love.

I. LEARNING GOD'S WAY

We can learn many things about God by just looking around us at His creation. The universe, the earth, and even our bodies tell us how wonderful and powerful He is.

However, the best place to learn about God is to read His Word. God

wants us to know so many things. He shares His **knowledge** with us in His Word, the Bible.

In this section we will review how we can learn the things God wants us to know.

SECTION OBJECTIVES

Review these objectives. When you have completed this section, you should be able to:

1. Name the best way to receive God's knowledge.
2. Explain when and where to read the Bible.
3. Tell how and why we should memorize Scripture.
4. Tell how the Bible is superior to science.
5. Tell how geography affects people.

Restudy these words.

Read Psalm 119:105 and John 1:18.

SEEKING KNOWLEDGE

How much do you know? You probably know more than you think you know. However, you still do not know nearly as much as God. God knows everything. All **knowledge** comes from Him.

God's knowledge is different from the knowledge of people. God's knowledge covers all situations and peoples. God always knows what is best. How can we learn of God's knowledge?

Where to find it. We can find out some things about God's knowledge just by looking at the things He

made. He had to know very much to create the world and people. However, just looking at these things will not help us find out all that God wants us to know. God gave us the Bible so that we may learn of His knowledge.

One way God shared His knowledge was through His Son, Jesus. Jesus is the greatest teacher who ever lived. Learning from Jesus is learning from God, because Jesus is God. When you want to know what God thinks, read the words of Jesus in the Gospels.

Read these Bible verses.

1.1

The statement, *Jesus is God*, can be proved by reading John 14:9b and 10. Copy the verses on the lines exactly as they are written in the Bible.

Do these puzzles.

1.2

Who was this man? Unscramble the letters and write his name on the line.

His name was _____ .

1.3

Color the dotted sections in the box to find out who he was.

He was a _____ .
